

Club Etiquette

A few points to remember about tennis etiquette:

- Wait until a point is over before walking behind a court where a match is in progress or opening a gate
- To retrieve a ball from another court or to return a ball to another court, wait until the players have completed their point
- Give your opponent the benefit of the doubt
- It's your obligation to call all balls on your side, to help your opponent make calls when the opponent requests it
- Turn off all cellphones and pagers so that noises do not disturb or distract other players
- Refrain from loud talking or laughter on or near the courts, and keep pets away from the courts

Thank you!
